PROFESSIONAL SUMMARY

Newly graduated ICT engineer with a strong foundation in website development and IT, backed by three years of entrepreneurial experience in website design and implementation. A prior degree in IT and experience as an IT specialist and Azure trainee, gaining expertise in cloud services and user support. Seeking opportunities to apply my technical skills and entrepreneurial insights to challenging projects.

AREAS OF EXPERTISE

Microsoft Windows / Server
Wordpress / WooCommerce
JavaScript / React

Microsoft AD
Microsoft Azure
Office 365

Customer Support
IT Administration
Software development

PROFESSIONAL EXPERIENCE

Azure trainee | Talenom Software Oy

2/2023 - 6/2023

- Internship included in my university studies.
- Created an Azure environment management model for the company.
- Performed administrative Azure environment maintenance tasks.

IT Support Specialist | Talenom Software Oy

4/2019 - 12/2019

- Provided technical assistance and troubleshooting support to resolve hardware, software, and network issues for end-users.
- Managed and maintained IT systems, ensuring seamless operations through updates, backups, and user account management.

Founder | RR-Networks

6/2018 - 2022

- Founded a company with a friend of mine specializing in website design, implementation and maintenance.
- We ran the company alongside of our studies but since then the company has been shut down.

EDUCATION
